

## Connect locally and thrive globally!

Join Springfield Sister Cities Association (SSCA) today and become a member of the internationally conscious community in Springfield. Your membership will support us as we help Springfield citizens and citizens of Tlaquepaque, Mexico and Isesaki, Japan acquire a consciousness and understanding of one another.

### Peace through People

Our mission is "Peace through People." We strive to encourage peace through understanding, welcome and embrace unity within diversity, facilitate cultural, economic, technological, and informational exchanges, and transform distant locations into person-to-person relationships.
